The 5 Rooms

This is a definite insider tip and you'll feel as if you're at home immediately. Five airy, tastefully renovated rooms with a quality breakfast, which you have at one big table together with all the other guests. The owner herself, a German who grew up in Barcelona, provides for the homely and warm atmosphere and likes to pass on good city tips. With her open nature she has created a special place, which everybody will hear about soon enough.
